

Barney & The Backyard Gang CGI Tetralogy #4

Three Wishes

Originally Written By Olsen & Reeder

"[Barney's theme song plays.]"

""Singleton Kids Chorus:"" "[singing]" Barney is a dinosaur

From our imagination

And when he's tall, he's what we call

A dinosaur sensation

Barney lives with Michael

And with Amy, then you'll soon see

Little Tina tags along

With her big sister, Luci

Jason is in Barney's club

And Adam has a ticket

But Mom has never seen him

'Cause she doesn't know our secret

Barney comes to play with us

Whenever we may need him

Barney can be your friend, too,

If you just make-believe him.

"[The title card "Three Wishes" shows up. It's a boring Saturday and the Backyard Gang are laying in the backyard having nothing to do while sighing. Michael lays upside-down on the lounge chair, Amy and Luci lay on the grass, Adam throws the ball up and down, Jason sleeps on the lounge chair taking a nap while snoring happily, and Tina sits on the Pixar's Luxo Jr. Star Ball. As for the Barney plush, he actually sits. Michael and Amy's parents, Mrs and Mr. Duncan, come in. Mrs. Duncan also brings out a tray of lemonade.]"

""Mrs. Duncan:"" Oh, what a happy-looking group!

""Amy:"" We're bored, Mom.

""Mrs. Duncan:"" I know, I've been watching you through the kitchen window.

""[Jason yawns after he wakes up.]""

""Michael:"" It's a Saturday and there's nothing to do.

""Mrs. Duncan:"" Okay, well, hop up and get some lemonade and we'll try and think of something to do. ""[The Backyard Gang but Tina hop up.]"" Everybody get lemonade. Okay. ""[The Backyard Gang but Tina each get a cup of lemonade. Tina sees one cup of lemonade but she waits patiently and Mrs. Duncan gives her the cup of lemonade.]""

""Tina:"" Thank you, Mrs. Duncan.

""Mrs. Duncan:"" You're welcome, Tina. Now then, uh, let's see. ""[thinking while the Backyard Gang all drink lemonade.]"" I've got it! You know what would be really, really fun? I think you should ""[pointing to the garage]"" go out to the garage and clean up your clubhouse!

""Backyard Gang:"" ""[seeing the garage]"" NO!

""Michael:"" That's not fun, that's work.

""Mrs. Duncan:"" Hmm... Well, it was just a suggestion.

""Mr. Duncan:"" Hey, I got an even better idea! Why don't you guys help me mow the front lawn? ""[The Backyard Gang all jeer, including Michael saying "Oh, Dad!" and Jason saying "C'mon, Mr. D!"]"" Well, I tried. ""[leaves]""

""Mrs. Duncan:"" Uh-huh. ""[Tina coughs.]"" Ugh, see? I should have put more sugar in that lemonade. Look at these sour expressions. ""[groans]""

""[Tina feels glumly sour.]""

""Mrs. Duncan:"" I bet you, not one of you, can stick out your tongue and touch the end of your nose.

""[Tina sticks out her tongue and touches the end of her nose, and so does Jason. Amy sticks out her tongue, but it touches the end of her nose.]""

""Jason:"" GROSS!

"[Luci comforts Amy.]"

"Mrs. Duncan:" See, you can't do it! Okay, now look, there's an easier way to do it. Watch. You stick out your tongue "[wordlessly]" and touch the end of your nose.

"Backyard Gang:" "[squirming]" EWWW!

[Song: Do Your Ears Hang Low?]

"Mrs. Duncan:" "[to Tina]" What about your ears? Can you do anything with them?

"Tina:" Like what?

"Mrs. Duncan:" "[singing]" Do your ears hang low?

Do they wobble to and fro?

Can you tie them in a knot?

Can you tie them in a bow?

Can you throw them over your shoulder

Like a continental soldier?

Do your ears hang low?

"[Mrs. Duncan starts to dance the hoedown in pickup speed during the instrumental break. The Backyard Gang all stand up.]"

"Backyard Gang and Mrs. Duncan:" "[singing]" Do your ears hang low?

Do they wobble to and fro?

Can you tie them in a knot?

Can you tie them in a bow?

Can you throw them over your shoulder

Like a continental soldier?

Do your ears hang low?

"[Hoedown dance in pickup speed at the end while the Barney doll watches with interest. After the song, they all laugh.]"

"Amy:" Thanks, Mom. Thanks for cheering us up, Mom.

"Mrs. Duncan:" Ah, you are welcome, sweetie. "[kisses Amy on the head and Amy giggles smugly]" And kids, I know you can think of a lot of fun things to do. "[taking the tray]" Just use your imagination. "[leaves and goes back in the house]"

"[The Backyard Gang all return to their sitting objects.]"

"Jason:" "[to himself]" Use our imagination, hmm.

"Tina:" What's imagination?

"Adam:" She [Mom] means "Pretend", Tina. You know, make something up.

"Luci:" Yeah, it's make-believe.

"Amy:" "[gasps]" That's it!

"Luci:" What?

"Amy:" Make-believe! Who is it who always helps us when we ask him? Who is it who is so good at make-believe?

"Backyard Gang:" "[in unison]" Barney the Dinosaur!

"Amy:" Right!

"Michael:" Yeah, Barney always knows the fun things to do!

"Jason:" What do we have to do?

"Amy:" Don't you remember? We'd have to tell him that we love him. It's love that makes pretend things real.

[Song: I Love You]

"[singing]" I love you, you love me

"Michael and Amy:" "[singing]" We're as happy as can be

"Backyard Gang:" "[singing]" With a great big hug and a kiss from me to

you

Won't you say you love me, too?

"[The Barney doll comes to life.]"

""Barney:"" "[singing]" I love you, you love me

We're a happy family

With a great big hug and a kiss from me to you

Won't you say you love me, too?

"[stops singing]" Hi, gang!

"[The Backyard Gang run over and greet Barney.]"

""Michael:"" How are you doing, Barney? Have you come to help us?

""Barney:"" What's wrong?

""Adam:"" It's Saturday and we don't have anything to do.

""Barney:"" WHAT?!? You have nothing to do with all these great toys?

""Amy:"" "[whiningly]" We play with them everyday. We want to do something different.

""Barney:"" "[patting Amy's shoulder]" Like what?

""Luci:"" It would be real neat if you could take us someplace special.

""Jason:"" Yeah, someplace special. "[shrugging]" But where?

""Barney:"" Hmm, I better think about it. I know of a wonderful place "[The Backyard Gang gasp excitedly.]" where the sun shines down on the thick, green grass, and there are lots of beautiful flowers and trees, and the birds are always singing.

""Michael:"" Where's that, Barney?

""Barney:"" I've got it! Your backyard.

"[The Backyard Gang groan furiously.]"

""Tina: "" "[snarling angrily]" That's right here!

""Amy: "" "[whiningly while Barney comforts her]" That's no fun!

""Michael: "" We want to go somewhere different.

""Barney: "" Like where?

""[The Backyard Gang all shout at once about where they want to go.]""

""Barney: "" Wait a minute, that won't do! You've got to make up your minds!

""Jason: "" How can we make up our minds, Barney?

""Barney: "" That's a good question, Jason. Tell you what I'm going to do. I'm going to give you three wishes. ""[The camera zooms in to him.]"" Certainly, you can agree on three places to visit. That way, everyone will be happy. ""[to Tina]" How about you, Tina? Where would you like to go?

""[Temple block]""

""Tina: "" "[wiping her eyes]" Well,... ""[inhales]" ...I'd like to go to a fun park.

""[The Backyard Gang all cheer excitedly, including Jason hooting.]""

""Barney: "" A fun park, it is! OK, everybody, gather around and make a big circle, hold hands, and close your eyes. ""[The Backyard Gang hold hands and gather around.]"" Now, wish real hard and say after me: "I wish we were at the fun park. I wish we were at the fun park."

""Backyard Gang: "" "[repeating continuously]" I wish we were at the fun park, I wish we were at the fun park.

""Barney: "" Shimbaree, Shimbarah! Shimbaree, Shimbarah!

""[The gang disappears in a cloud of sparkling dust and the fade translates to the next scene where they magically arrive at the Fun Park.]""

""Backyard Gang: "" I wish we were at the fun park, I wish were at the fun park.

""Barney: "" Well, everybody, we made it!

""Luci: "" We're here!

""Jason: "" Awesome, dude!

""Michael: "" This is great, Barney! I love it!

""Amy: "" Wonderful!

""Luci: "" Look at all the rides, Adam!

""Adam: "" Whoa, which ride do I want to go on?

""Tina: "" Ooh, I know! I want to go on the see-saw!

""Michael: "" Me, too! C'mon, let's go!

""[The Backyard Gang but Jason run to the see-saw. Barney chuckles in delight, but sees Jason looking disappointed.]""

""Barney: "" What's the matter, Jason? You look disappointed.

""Jason: "" Well, Barney, ""[sniffs]"" I was hoping there would be animals here.

""Barney: "" This a fun park with all kinds of neat rides.

""Jason: "" But I like animals, especially the kind that you can play with.

""Barney: "" I know a place you'd like. It's got all kinds of petting animals.

""Jason: "" I wish I could be there right now.

""Barney: "" But your friends are having fun right here. Say, I've got an idea. If I sent you on ahead, ""[Jason reacts.]"" you could get things ready for us, and we'd join you in a little bit, and you could play with all the animals until we got there. How does that sound?

""Jason: "" That sounds great! ""[magically vanishes into a teleport hologram]""

""Barney: "" Have fun playing with the animals, Jason, and we'll see you there.

""[Jason magically arrives at the petting farm.]""

""Jason: "" Phew, that's more like it. ""[walks to the petting farm's entrance and opens and closes the gate]""

""Farmer Earl: "" Howdy and welcome to the petting farm. My name is Farmer Earl MacDonald and who, young man, are you?

""Jason: "" I'm Jason Wright.

""Farmer Earl: "" What a pleasure, Jason, and welcome aboard. This is my monkey Elias but you can call him Eli.

""Jason: "" That's odd, I thought there were no monkeys at farms, not even this one. That doesn't make any sense, does it?

""Farmer Earl: "" Actually, Jason, I bought Elias for my petting farm service. The legend says that both monkeys and humans are primates.

""Jason: "" I get it, some farms like this one where I can touch and play with actually have monkeys, especially Eli. Why didn't I think of that before?

""Farmer Earl: "" I heard you didn't like the park. How did that happen?

""Jason: "" Well, I felt disappointed because there were no animals there, just rides.

""Farmer Earl: "" It didn't look awful, did it?

""Jason: "" Of course not, the park looked great. That's why my friend, Barney the Dinosaur, sent me here.

""Farmer Earl: "" Oh! I've known Barney since I was your age.

""Jason: "" Wow, that's a long time.

""Farmer Earl: "" It's not that long. Nonsense.

""Jason: "" Farmer Earl, can I please get things ready for my friends? They're having fun at the park.

""Farmer Earl: "" Sure, who are your friends?

""Jason: "" Maybe my memory can help me. Okay, "[his memory bubbles of his friends show up]" there's Barney, Michael whom I call the name "Mike", Amy, Luci, and Adam. Oh, and Tina, too. And together, we're the Backyard Gang.

""Farmer Earl: "" Well, Jason, I think you've come the right place. But first, let's get everything you need to get them ready for your friends. Hold Eli while I get the supplies, just before I drive my tractor. "[gives Eli to Jason]"

""Jason: "" Much obliged, Farmer Earl. "[to the viewers off-screen]" Keep an eye out for the gang while I get to work, OK?

[Song: London Town]

"[Fade translates back to the park. The rest of the Backyard Gang arrive at the see-saw. While Amy smells the flowers, Tina gets on the see-saw and Luci gets on, too. The two ride together.]"

""Luci: "" Michael!

""Michael: "" Okay!

"[Michael gets on the see-saw but Tina has difficulties moving the see-saw down while Amy and Adam laugh.]"

""Luci and Michael: "" "[singing]" See-saw, up and down

Which is the way to London town?

One foot up and one foot down

This is the way to London town

"[Tina grunts angrily while the rest of the Backyard Gang laugh at him. Suddenly, Tina has an idea and hand signals Barney to come over. Barney rides on the see-saw with Tina and Amy stands on the center.]"

""All: "" "[singing]" See-saw, up and down

Which is the way to London town?

One foot up and one foot down

This is the way to London town.

"[The gang see the jungle gym on the other side of the park and they get off the see-saw.]"

""Luci: "" Come on, Barney.

""Barney: "" Okay, I'm coming.

"[The Backyard Gang arrive at the jungle gym. While Michael, Tina, and Amy swing on the bars, Luci sees a rope behind it and pulls it out while Adam helps.]"

""Luci: "" Barney, Barney! Will you jump rope with me?

""Barney: "" Dinosaurs can't skip rope too well. My tail always gets in the way.
""[wiggles his tail]" But I'll help you turn it.

""Luci: "" Great!

""Michael: "" Here, Luci, I'll help you turn it, too, so you can jump. ""[Both he and Barney turn the rope.]"

""Luci: "" Thank you, Michael.

""Amy: "" ""[on the jungle gym's stairs]" Hey, guys, do you know the teddy bear song?

""[The others all agree by saying "Yeah!" or "You bet!"]"

""Barney: "" OK, we're ready.

""Michael: "" One, two, three, go.

""[Luci jumps on the rope.]"

""Gang: "" ""[chanting]" Teddy Bear, Teddy Bear, turn around

Teddy Bear, Teddy Bear, touch the ground

Teddy Bear, Teddy Bear, tie your shoes

Teddy Bear, Teddy Bear, that will do

Teddy Bear, Teddy Bear, climb the stairs

Teddy Bear, Teddy Bear, say your prayers

Teddy Bear, Teddy Bear, switch off the light

Teddy Bear, Teddy Bear, say "Good night"

""Luci: "" Good night, good night!

""Backyard Gang: "" Yay!

""Barney: "" That was super dee duper!

""[Tina stands up and walks over to Barney.]"

""Tina: "" Barney, it's your turn to jump.

""Barney: "" But I told you, Tina, my tail always gets in the way. "[Tina feels sad.]" Well,... ...I'll try it just for you, Tina. That way, I can share the rope and be a really useful dinosaur.

""Backyard Gang: "" Yay!

""Tina: "" Barney's gonna jump! "[sitting back down on the ground next to the jungle gym]"

""Adam: "" Good for you, Tina!

""Luci: "" That's my little sister!

""Michael: "" Did you hear that, Amy? Barney's gonna jump!

""Amy: "" That's amazing, Michael!

""Barney: "" That's the spirit. "[Luci holds onto the rope.]" Thanks, Luci. "[tip-toeing to the center of the rope]"

""Luci: "" Are you ready?

""Barney: "" Mm-hmm.

""Luci: "" One, two, three, go.

""Michael: "" Go.

""[Barney jumps on the rope.]"

""Backyard Gang: "" "[chanting]" Barney, Barney, turn around

Barney, Barney, touch the ground.

""[Some of the leaves fall from the trees and bushes and the rope that is let go from Michael and Luci falls on Barney's face.]"

""Barney: "" "[running around rapidly in time lapse with the rope on his face]" OOPS! "[falls on the ground with his face tangled on the rope with a loud thud]"

""Backyard Gang: "" Barney! "[running over]"

""Amy: "" "[getting off the stairs]" Are you alright, Barney?

""Barney:"" Yes, Amy, but help me get this rope off. I've fallen, and I can't get up. "[chuckles groaningly]"

""[Shot cuts to Barney's blurry perspective.]""

""Tina:"" "[whiningly]" Hurry, Barney.

""Barney:"" It's okay, Tina. You see, I was just doing what the song said: "Touch the ground." I just touched it a little too hard. "[The Backyard Gang laugh.]" Okay, everybody, give me a hand. "[The Backyard Gang grab on to the rope.]" Ready?

""All:"" One, two, three!

""[The Backyard Gang pull Barney out from the rope in their strong muscles and Barney is untangled. The Backyard Gang cheer and they run over and lift Barney back up. Barney shakes his head while Tina and Amy giggle.]""

""Barney:"" Thanks, kids. Say, I know another rhyme that we can all do and you don't have to use a rope. It's called "Mr. Knickerbocker". You just watch me and do what I do.

[Song: Mr. Knickerbocker]

""Barney:"" "[rapping]" Hey, Mr. Knickerbocker, boppity bop

I like it the way that you boppity bop

I like it the way that you boppity bop with your hands

""[Michael and Amy clap on one side while Tina, Adam, and Luci clap on another side.]""

""All:"" Hey, Mr. Knickerbocker, boppity bop

I like it the way that you boppity bop

""Barney:"" I like it the way that you boppity bop with your mouth

""[Michael and Amy bop their mouths on one side while Tina, Adam, and Luci bop their mouths on another side.]""

""All:"" Yeah!

Hey, Mr. Knickerbocker, boppity bop

I like it the way that you boppity bop. "[x4]"

"[At the end of the song, Barney spins on the ground until he stops. The Backyard Gang all cheer.]"

""Michael:"" "[seeing a baseball field on the right-side angle]" Look, there's a baseball field!

""Luci:"" Come on, let's go!

"[The Backyard Gang run over to the baseball field while cheering. But as they're about to enter, they hear Barney's coach whistle. They halt and see Barney sternly.]"

""Barney:"" "[in the coach uniform]" Wait a minute, gang. Haven't you forgotten something? "[The Backyard Gang run back to him while clamoring]" You can't go to a baseball game empty-handed. "[shooting his magic powers down, as a bag of baseball gear appears]" Ta-da! "[The Backyard Gang exclaim and cheer excitedly.]" Okay, everybody, play ball!

""Tina:"" Where's Jason?

"[The rest of the Backyard Gang complain by saying "Yeah, where is he?" or "Where did he go?"]"

""Barney:"" He's getting a surprise ready for us all. Don't worry, he's okay. "[The Backyard Gang, even Tina, smile in relief.]" Come on. CHARGE!

""Backyard Gang:"" CHARGE!

""All:"" CHARGE! "[entering the baseball field while Michael takes the gear bag]"

[Song: Take Me Out to the Ballgame]

"[Wipe translates to the baseball field. Michael is the thrower and Luci is the player while wearing a ponytail hairdo. Adam is the stadium vendor while Amy, Tina, and Barney watch the game eating yummy peanuts, cracker jacks, and popcorn. Tina also feeds Barney some popcorn.]"

""Adam, Amy and Tina:"" "[singing]" Take me out to the ballgame

Take me out to the park

Buy me some peanuts and cracker jacks

I don't care if I ever get back

For it's root root root for the home team

If they don't win, it's a shame

For it's one, two, three strikes

You're out at the old ballgame

""Barney: "" Hey, kids, watch this!

""[singing alternately]" Take me out to the ballgame take me

[""Michael: "" ""[seeing the ball dropping from his glove]" HUH?!?]

Out to the ballgame buy me

[""Luci: "" ""[missing a hit on her bat]" HUH?!?]

Some peanuts and cracker jacks I don't

[""Adam: "" HUH?!?]

Care if I don't ever get back for it's

""[Michael throws the ball and the ball with an anthropomorphic CGI face winks.]"

Root root for the home team if they

Don't win it's a shame for its

One, two, three strikes you're out

At the old ballgame...

""[Stops and chuckles nervously]"

""[Fade translates to the following scene.]"

""Michael: "" Whoo. Boy, that was fun.

""Luci: "" ""[putting her regular cap back on while in her non-ponytail hairdo]"
It sure was.

""Amy: "" "[shocked]" Hey, now where's Tina?!?

""Adam: "" She was here a minute ago.

""All: "" "[crying continuously]" Tina!

""Luci: "" If suppose I don't find her, what will I tell my mom?

""Barney: "" Don't worry, Luci, we'll find your sister. She couldn't have gone far.

""All: "" "[crying continuously]" Tina!

""Barney: "" "[seeing Tina on the jungle gym in the far distance]" There she is!

""Luci: "" I see her!

""Barney: "" Me, too. Let's go. "[The gang all exit the baseball field.]"

""[Tina is on the jungle gym seeing the moon when the gang arrives.]"

""Luci: "" Tina, what are you doing up there?

""Amy: "" Are you trying to get the moon?

""Adam: "" Not in that rocket ship!

""Tina: "" "[giggling]" No, but I can see the moon.

""Amy: "" What?!? B-but it's the middle of the day.

""Michael: "" Rubbish, I don't see it.

""Tina: "" Well, Michael, "[pointing to the moon]" you'll have to look real hard, but it's there. Can you see it?

""[The Backyard Gang cheer excitedly and see the moon.]"

""Amy: "" How could that be?

""Barney: "" Sometimes when the moon is in the right place, you can see it in the daytime.

[Song: I See the Moon]

""Tina: "" "[singing]" I see the moon, and the moon sees me
God bless the moon, and God bless me.

""Barney: "" Well, kids, did you all have fun at the park?

""[The Backyard Gang agree by saying "Yeah!" or "You bet!"]""

""Barney: "" Where would you like to go next?

""Luci: "" Can we go anywhere?

""Barney: "" "Anywhere" in the world.

""Luci: "" Can we go to the moon?

""[The Backyard Gang cheer excitedly.]""

""Barney: "" The moon?!? FAR OUT! Now, I'm gonna need a spaceship to get us to the moon.

""Adam: "" "[pointing to the jungle gym]" Here's one right here.

""Luci: "" Oh, Adam, that's only a jungle gym.

""Adam: "" Use your imagination. Right, Barney?

""Barney: "" Right, Adam. OK, kids, everybody get on board. We're going to the moon.

""[Luci, Michael, Adam, and Amy get on board the jungle gym spaceship where Tina is on.]""

""Luci: "" I can't wait to get to the moon.

""Michael: "" Me, too. This will be fun, won't it?

""Tina: "" I'm gonna be the first one on the moon.

""Adam: "" Come on, Amy, you can do it.

""Amy: "" Thank you, Adam.

""Adam: "" No, thank you.

""Barney: "" "[climbing on the jungle gym spaceship's stairs]" Well, well, well,

imagine that. Prepare for countdown. "[turning on the power button and the spaceship's smoke comes on]" 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, blastoff!

"[The jungle gym spaceship blasts off and leaves the earth far behind.]"

[Song: The Rocket Song]

""All:"" "[singing]" Flying high in the sky

We look back and wave goodbye

As our spaceship is flying away

Pass the earth and the stars

Look, there's Jupiter and Mars

As our spaceship is flying away

For it's one, two, three

Lots of fun for you and me

""Backyard Gang:"" "[singing]" Barney's the captain of the day, hooray

""All:"" "[singing]" When he leads the way, everything is a-okay

As our spaceship is flying away

Hip hooray

As our spaceship is flying away.

""Tina:"" Look, it's the moon!

"[We cut to Tina's perspective of the moon.]"

""Barney:"" Prepare for landing!

"[The jungle gym spaceship lands on the moon and the slide turns on while its metal squeak sound is heard. Barney shoots his magic powers to wear an astronaut helmet on his head.]"

""Barney:"" Okay, everybody off the spaceship. We've landed on the moon.

""Tina:"" "[sliding down the slide]" I'm the first little girl on the moon.

""Barney:"" Hold my hand, Tina, okay?

""Michael:"" "[sliding down the slide]" Wow, I'm the first boy on the moon!

""Amy:"" "[sliding down the slide]" Wow, I've never been on the moon before.

""Adam:"" Look out below! "[sliding down the slide]" Yahoo!

""Luci:"" "[sliding down the slide but hits a bump]" OOF!

""Barney:"" Careful, everybody.

""Luci:"" "[getting up]" Mamma Mia.

""Barney:"" We don't say that, y'know.

""[The gang walks around the moon.]""

""Tina:"" I never knew Barney was taking us on the moon.

""Barney:"" Here we are.

""Michael:"" This place is incredible.

""Amy:"" Wait till I tell the kids at school.

""Adam:"" The moon looks like a desert, only it's made of rock.

""Luci:"" "[seeing Earth]" Hey look, is that Earth?

""Michael:"" Yeah, it is Earth!

""Amy:"" Hi, Mom! Hi, Dad!

""Barney:"" As you can see, kids, the moon we are on is 238,900 miles away from Earth.

""Luci:"" Wow, that's far from when we left the park.

""Barney:"" That's right, Luci. Did you know that the sun is 91.868 million miles away from Earth?

""Tina:"" "[gasps]" I didn't know that the sun is farther away from Earth.

""Amy:"" That's right, Tina. I learn that the Earth moves around the sun so it

can get different light in different areas.

""Michael:"" That's different. The moon moves around the Earth so it can shine its silver light.

""Barney:"" It's called gravity.

""Amy:"" What's gravity?

""Barney:"" Well, Amy, gravity is a force that lets us pull something or someone up when it's down.

""Michael:"" Hey, Barney, look how high I can bounce. Watch this.

""[Michael bounces up the moon while the others, including Tina, watch in shock and then he goes back down on the moon. The gang all laugh.]""

""Michael:"" Now that's what I call gravity one small step for you guys but a giant step for boy kind, like me.

""Barney:"" Or man kind. Did you know that Neil Armstrong was the first man on the moon?

""Adam:"" I've read about him. He was an astronaut who set off on his space adventure back in 1969. That was even long before any of us were born.

""Michael:"" I can even see Armstrong's footprint over there.

""Luci:"" Barney, what do astronauts wear when they go to outer space?

""Barney:"" Well, Luci, astronauts wear suits to protect their clothing. And they even wear helmets like the one I'm wearing.

""Luci:"" I had to admit things are right.

""Barney:"" So you see, kids? The moon can be a fun place, can't it?

""Backyard Gang:"" Yeah.

""Barney:"" Well, let's look around.

""Luci:"" ""[holding Barney's hand]" Okay, let's look over here.

""Barney:"" Okay. ""[The gang leaves the spaceship.]" Watch your step. You never know what we might find.

"[Fade translates back to the farm. Jason and Eli are putting the final touch on a large picket sign when Farmer Earl arrives.]"

""Farmer Earl:"" I'm back, Jason. How did it go?

""Jason:"" Terrific. "[holding up the picket sign]"

""Farmer Earl:"" "[reading]" "Welcome, Barney and the Backyard Gang." I love it.

""Jason:"" Eli and I have been getting things ready for the gang. Our design will even be fancy.

""Farmer Earl:"" Well, Jason, now that you mention it, why don't we put up the sign? After we do that, you'll go play with the animals over there, including Eli.

""[The petting animals are in the following shot.]"

""Jason:"" Yes, sir, splendid idea. "[Both he and Farmer Earl holds up the sign]" The gang is going to love this.

""[Fade translates back to the moon where we see rocks and crater holes. An alien known as Moonkin flies above the rocks and makes electronic MOOG beeps, despite his lack of speech. Moonkin looks around when suddenly, he sees Barney and the Backyard Gang taking a walk.]"

""Amy:"" This is fun.

""Barney:"" Of course it is, Amy. "[chuckles]"

""[Moonkin flies down and hides behind the rocks and Barney and the Backyard Gang arrive at the rock and crater area.]]"

""Michael:"" I'm the first boy on the moon.

""Barney:"" That's right, Michael, and I'm the first dinosaur.

""Adam:"" Hey, you guys, take a look at these holes.

""[The Backyard Gang all sit down.]"

""Barney:"" They're called craters, Adam. They were hit by space rocks.

""Tina:"" You know what?

""Barney:"" What, Tina?

""Tina:"" If I looked down on one of these craters, I would see moles.

""Barney:"" Oh, I don't think so, Tina, because there are no creatures on the moon, not even moles.

""[Moonkin overhears Barney talking.]""

""Barney:"" When astronauts go to outer space, they don't search for moles and they don't need shovels to dig through craters. But since I'm the first dinosaur, I love being on the moon.

""[Moonkin flies up again, but this time behind Barney. He scares Barney, and Barney screams. The Backyard Gang scream and hide, including Amy screaming high-pitched.]""

""Barney:"" ""[chuckles]"" He startled me! He's a moonkin, and I hear they're very friendly.

""[Moonkin beeps scarcely.]""

""Amy:"" ""[seeing Moonkin]"" Poor little guy. He's scared of us.

""Tina:"" ""[crying stammeringly]"" B-but we're not scary. ""[sitting next to Amy]""

""Michael:"" I better act natural. ""[tip toeing quietly to Moonkin]"" Hi, my name is Michael. What's yours?

""[But Moonkin beeps in reaction while Michael screams in Wilhelm.]""

""Michael:"" ""[scratching his head while Moonkin does the same]"" I guess he can't talk.

""Tina:"" ""[crying]"" He's doing what you're doing!

""Luci:"" What do you mean, Tina?

""Tina:"" That's a good question, Luci. Watch this. ""[standing up and walking over to Moonkin]""

""[Shot cuts to Tina's perspective.]""

""Luci:"" Tina, no!

You shouldn't feel sad that he's going away.

And ready to come anytime that you say.

Friends are forever whenever they're make-believe!

He... could... "[standing up]"

Be anything, from a crazy cartoon
